<p><b>Resolution on the Latest Developments of Terrorism in Greece</b></p>
--

The NCHR, following its former relevant Resolutions of 2001 and 2002, expressed its outright condemnation of acts of terrorism carried out in Greece and called upon all competent Greek authorities and professional associations, such as the Athens Bar and the Athens Journalists' Association, to ensure that the struggle against terrorism is not carried out to the detriment of the fundamental principles enshrined in international human rights law and the Greek Constitution.
