--

The NCHR submitted to the competent Greek Ministries a series of recommendations, based on European and international human rights standards, for the modernization and the strengthening of the current, inadequate system of refugee social protection in Greece. The main issues tackled by the NCHR are:

1. Reception centres for asylum seekers;
2. Employment and vocational training of refugees and asylum seekers;
3. Provision of aid and special allowances;
4. Education;
5. Special protection of unaccompanied minor refugees and asylum seekers.
