The NCHR held an extensive discussion on the above issue with representatives of the aforementioned Committee and reached the following conclusions:

(a) The NCHR advised the Ministry of Education and Religious Affairs that it responds immediately and definitively to the application of the above Committee regarding the granting of a permit for establishing a place of worship;

(b) The NCHR also advised the above Ministry that it reviews the outdated legal framework regarding the establishment of churches/temples and places of worship, as already proposed by the NCHR on 1 March 2001.
